NOTES

Granted super-human strength by the villainous Major Zemo during World War II, Simon's grandfather turned on the villain and sided with the All-Star Winners Squadron as the first Amazing Man.

Simon was at first unsure what to do when he found he had inherited his grandfather's superhuman strength. Since adopting the Amazing Man identity, however, he has grown more confident in his role and has found that his powers are far greater than his grandfather's ever were.

ADVANTAGES

Invulnerability (Heat and Cold)
